Letter from the Director

Erica Moses - Library Director

Dear patrons, friends, and community members,

On behalf of the library and its board of trustees, I want to thank you all for your continued support and the understanding you've shown us through the past year. We are happy to return to our normal operating hours and be fully open while also offering curbside services for those who need it.

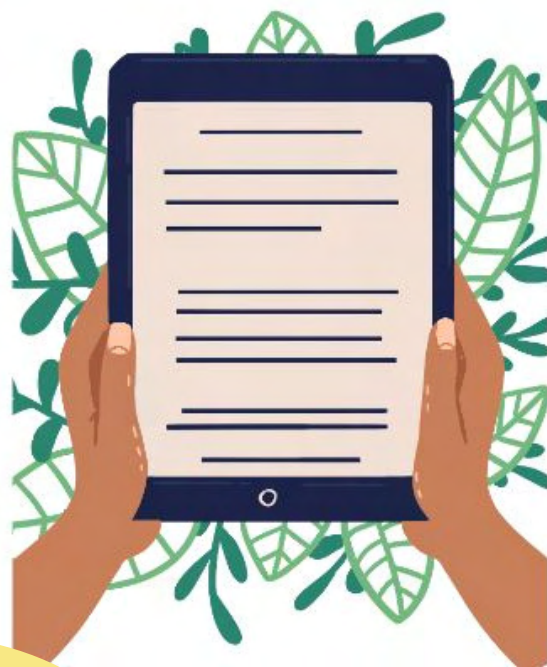

During the past year, we've held several programs for both children and adults. Our children's room started to receive a much needed makeover and we were awarded a STEM/STEAM based equipment grant that has allowed the library to start the creation of a mini maker space. Our summer reading program was a success, and many thanks go out to Teacher's Pet Rescue, The Headwaters Association, and Stash Nawrocki of Crystal Spheres for the help and programming they provided.

We are excited for what awaits us in 2022.

"Hope smiles from the threshold of the year to come, whispering, 'It will be happier.'" – Alfred Lord Tennyson
