The Genesee Area Library

2022 Report to the Community

Letter from the Director

Erica Moses - Library Director

Dear patrons, friends, and community members:

On behalf of the library and its board of trustees, I want to thank you all for your continued support of the Genesee Area Library. We couldn't do what we do without you.

2022 seemed to fly by in the blink of an eye and we accomplished so many things. Our children's room received a much needed makeover and we now have a dedicated area for STEM and crafting. We received all new patron and staff computers through a grant from KINBER as well as a poster sized printer.

Our summer reading program was the largest it has been in recent years and the kids had a blast, especially during Pirate week! Many thanks go out to the Headwaters Association for the awesome program they do each year.

We also saw the return of our beloved Holiday Festivities and are looking forward to it again in 2023.

"The only thing that you absolutely have to know, is the location of the library." – Albert Einstein

“A library is a good place to go when you feel unhappy, for there, in a book, you may find encouragement and comfort. A library is a good place to go when you feel bewildered or undecided, for there, in a book, you may have your question answered. Books are good company, in sad times and happy times, for books are people – people who have managed to stay alive by hiding between the covers of a book.”
