The Genesee Area Library

2023 Report to the Community

Letter from the Director

Erica Moses - Library Director

Dear patrons, friends, and community members:

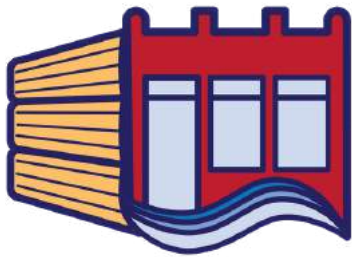

On behalf of the library and its board of trustees, I want to thank you all for your continued support of the Genesee Area Library. We couldn't do what we do without you.

2023 was the year of togetherness at the library. We added in new adult programming including a Sourdough and Fermentation Class, and even purchased an induction cook top for cooking classes.

"All Together Now," the national theme for our Summer Reading program, really did bring us all together! We saw another significant increase across all age groups and had fun learning and growing together. There were visits from Tanglewood Nature Center, the PA State Police, our Headwaters Association, and the Genesee Township Volunteer Fire Department surprised our kids on the last day. In 2024 the national theme is "Adventure Begins at Your Library" and we are looking forward to all the crazy adventures we get to have.

Our Holiday Festivities gathered together over 30 local vendors, crafters, and artisans. Your support of the library and each of the vendors is greatly appreciated and we look forward to hosting it again in 2024

"Bad libraries build collections, good libraries build services, great libraries build communities." - R. David Lankes

“To ask why we need libraries at all, when there is so much information available elsewhere, is about as sensible as asking if roadmaps are necessary now that there are so very many roads.”
