The Genesee Area Library

2024 Report to the Community

Letter from the Director

Erica Moses - Library Director

Dear patrons, friends, and community members:

On behalf of the library and its board of trustees, I want to thank you all for your continued support of the Genesee Area Library. We couldn't do what we do without you.

2024 was the year of strange happenings. We threw a solar eclipse party for the community, expanded our summer reading program, created a teen room, and started an annual vendor bazaar fundraiser.

It seemed like the weather never wanted to cooperate with us though. We had cloudy skies for the eclipse, heat advisories and huge thunderstorms for summer reading, and even a power outage or two.

Through it all though, we stayed together! Our first annual Craft and Vendor Bazaar hosted more than 15 small business and our annual Holiday Festivities hosted just under 30 vendors. We also had great community support in fostering a space just for teens within in the library and we are proud to be apart of such a dedicated community!

"I have found the most valuable thing in my wallet is my library card." - Laura Bush

“To ask why we need libraries at all, when there is so much information available elsewhere, is about as sensible as asking if roadmaps are necessary now that there are so very many roads.”

— Jon Bing
